

E. B. CATE REAL ESTATE AGENCY

ABOUT THE STATE.

Items of Interest Gleaned from Our Exchanges.

The first Ladies' Auxiliary to the Brotherhood of Locomotive Firemen in this state was formed at Rutland Sunday.

At the annual village meeting held in Lyndon Center recently, it was reported that the village was out of debt and had \$300 in the treasury.

R. U. Wells, formerly editor of The Lyndonville Journal, has sold his interest in his new store at Glover to his partner and is now looking for a new opening.

It is understood that at a meeting of the Bennington G. A. R. Post some action will be taken on the matter of uniting the two posts which have been separated so long.

The Rev. W. E. Baker has accepted a call to become pastor of the Baptist church in Headsboro. Mr. Baker, who is a young man, is a graduate of Brown University and Newton Theological seminary.

As soon as the frost is out of the ground the Estey organ company of Brattleboro will begin the erection of a three-story brick building, 100x40, to be used as an erection shop for the pipe organ department of the establishment. On account of the company's increase of business in the manufacture of pipe organs and the large size of some of the instruments for which it has contracts the present quarters are entirely inadequate.

The census of children of school age in the incorporated school district No. 2, Brattleboro, makes the total number 988, which is a gain of eight over last year's census. School age means from the fifth to the eighteenth anniversary of birth. The census shows that there are in the district 460 boys and 519 girls. The number of boys and girls between five and eight years is 203, between eight and fifteen 555 and between fifteen and eighteen 230.

The sugar house of Loomis Lamphar, who lives on the Elmore mountain road, was burned about noon Friday. Mr. Lamphar had been boiling sap in the forenoon and went to the house to dinner, leaving the fire in the arch nearly out, as he supposed. He had not been at dinner long when the family saw that the sugar house was in flames and nothing could be saved. In the building was a large quantity of dry wood, a quantity of new sugar and sugar and the complete sugaring outfit, which included a new evaporator, holders, etc.

A revolution in the methods of marble quarrying may result from a new stone churning device invented by Charles M. Lyman of Rutland, who already has received tempting offers for the patent rights. Mr. Lyman, however, has not decided whether he will dispose of it. The invention is an improvement to the Wardwell machine, and will, it is believed, double its capacity. In about three weeks it is expected that one of Rutland's largest marble companies will put one of the improved machines in operation and give it a thorough test.

John Moore, a 13 year old lad who was arranged in Burlington city court Monday on a nominal charge of breach of the peace, is evidently a depraved being. For some time past he has been an inmate of the Home for Destitute children but his actions there have led the people in charge to think that he is beyond the reach of the institution and advice. He has been "cutting up" at a great rate lately and the culmination point was reached when he knocked down another boy and broke his arm. Complaint was at once made to the authorities and young Moore was brought up to town, having his hearing Monday morning. He pleaded guilty and was sentenced to the Industrial school at Vergennes for the remainder of his minority which will be until June 25, 1913.

CURE FOR CONSUMPTION.

This Man Now Swims Under the Ice Before Crows.

St. Albans, March 29.—Martin Lawler of Lowell, Mass., who has cured himself of consumption by living out of doors, is in this city on the way to Plattsburg, N. Y. Mr. Lawler travels entirely under water beneath the ice. He had intended to give an exhibition of this kind in St. Albans bay, but was deterred by the thickness of the ice.

Churches Broken Into in Burlington.

The College street church at Burlington was broken into Saturday night, entrance being effected by tearing off the screen and opening a basement window on the South Union street side. A few dollars belonging to the treasury of the Sunday school was taken from a box in the library and the rooms and cupboards were ransacked although nothing else is missed.

A similar case has been reported to the police from the Methodist church in the same city. A window was found unfastened and there was evidence that some one had rummaged around pretty thoroughly before going away. The lock on the dish closet in the kitchen was weakened off but nothing taken away or destroyed. The Sunday school library had been entered and the books and cupboards and the drawers were ransacked. No money or silverware of value is kept in the church and so there was really nothing which could be converted into cash readily. A stranger suspected has not been seen since.

Wants to Meet His Equal.

Tully Donahue, a former resident of St. Albans and a claimant of the light weight collar and elbow wrestling championship of New England, has issued a challenge to any man in New England to wrestle for him \$100 to \$500 a side at 130 pounds.

UNHAPPINESS DISPELLED.

Men and Women Unanimous About It.

Many women weep and wail and refuse to be comforted because their once magnificent tresses have become thin and faded. Many men incline to profanity because the flies bite through the thin thatch on their cranialia. It will be good news to the miserable of both sexes to learn that Newbro's Herpicide has been placed upon the market. This is the new scalp germicide and antiseptic that acts by destroying the germ or microbe that is the underlying cause of all hair destruction. Herpicide is a new preparation, made after a new formula on an entirely new principle. Anyone who has tried it will testify as to its worth. Try it yourself and be convinced. Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.

DAMES AND DAUGHTERS.

Mrs. Lucy W. Stone, the mother of Miss Ellen M. Stone, the famous missionary who was captured by brigands in the east, is dead at the age of eighty.

Susan B. Anthony is the last and perhaps the greatest of that little band of famous women who started the equal rights movement in 1848. Today every civilized country has its woman suffrage organization.

The Countess Tolstol, who is a beautiful and accomplished woman, is unusually fond of gay society, but to please her talented husband she denies herself social pleasures and acts as private secretary to the novelist.

Miss Addie Estes of Port Fairfield, Me., has made 1,000 pounds of butter the past year, churning it all herself and working it all by hand. She also made eighty pounds of cheese, both this and the butter being from only five cows.

When she reigned in Paris the Empress Eugenie was the best dressed lady in the world. At one time her wardrobe was estimated to be worth \$1,000,000, while her household expenses amounted to \$10,000 a week. Today she spends as little as possible on herself and dresses invariably in black.

Mrs. Roosevelt is a descendant of Jonathan Edwards in the line of his eldest son, Timothy Edwards of Stockbridge, Mass. His daughter, Sarah, married Captain Daniel Tyler of Brooklyn. They were the parents of General Daniel Tyler of Norwich, Conn., whose daughter, Gertrude, married Charles Carew. Mrs. Roosevelt is the daughter of Gertrude Tyler and Charles Carew.

SPORTING NOTES.

Tom Jenkins, once more the American wrestling champion, seems to have taken on a new lease of life.

E. S. Armstrong of Deal Beach, N. J., won the Royal Poinclana cup in the finals of the golf tournament at Palm Beach, Fla., recently.

The forces in the western turf war are lining up for a death struggle, and on paper it looks as though the Corrigan party had the best of it.

A. B. Cox of Paoli, Pa., has added the bay mare Emeline Chimes, by Chimes, out of the one time great race mare Emily, 2:11, by Prince Regent, to his stable this year.

Direct, 2:05 1/4, formerly the champion pacing stallion and sire of many grand circuit winners, dropped dead of rupture of the heart at East View farm, James Butler's stock farm, recently.

Whittier's Pets.

John G. Whittier had three pet dogs in his old age—a Newfoundland named Roger Williams, a Scotch terrier named Charles Dickens, and Carl, a greyhound.

Strikes Hidden Rocks.

When your ship of health strikes the hidden rocks of Consumption, Pneumonia, etc., you are lost if you don't get help from Dr. King's New Discovery for Consumption. J. W. McKinnon of Talladega Springs, Ala., writes: "I had been very ill with pneumonia, under the care of two doctors, but was getting no better when I began to take Dr. King's New Discovery. The first dose gave relief and one bottle cured me." Sure cure for sore throat, bronchitis, coughs and colds. Guaranteed at the Red Cross Pharmacy and Parlor Drug Store. Price 50c and \$1.00.
